be completed, according to present on the Chautauqua lecture plactorm than he gets from the government. A couple of congressmen gossiping about the matter the other day, agreed that Landis must be enjoying this successful conduct of the office of county superintendent of Valencia. the present rallway act by diminish an income of about \$15,000 a year.

Ing the functions of the Interstate Reckoning the income of his Delhi Commerce Commission and increasing the powers of the courts to regaling the income of his Delhi paper at \$5,000, his conglessional saling and the sectors business, which is no less than \$5,000, his would appear to come out about that way. Landis and Champ Clark of Missouri are doing the imitation congress stant together. They get up a joint desaite or any live political subject and work off their stock reparter on one another, for the edification and instruction of those who cannot come to reliev and cure a cough or cold. At all dealers, for any expectation or call the relieve and cure a cough or cold. At all dealers, for any expectation or call the relieve and cure a cough or cold. At all dealers, for any expectation or call the relieve and cure a cough or cold. At all dealers, for any expectation or call the relieve and cure a cough or cold. At all dealers, for any expectation or call the relieve and cure a Commerce Commission and increasing the powers of the courts to regulary at \$5,000 and his lecture business, late rates. An effort is being made to which is no less than \$5,000, it would ment in favor of railroad regulation. Senator Foraker, comes from a city.
Cincinnati, where the business or ganizations have resolved in favor of the regulative principle. Senator the United from Workers' convention Newlands though a democrat, is must be regulated as a personal trib. Newlands, though a democrat, is must be regarded as a personal trib-pledged to President Roosevelt's po-ute to John Mitchell, head of the latsition on railroad regulation. Senator Tillman is divided between his antagonism to railroads and his equally vigorous antagonism to Roosevelt personally. Senator Foster is uncertain, as are Millard and Carmack.

A bill attempting to pass up the regulation of rates to the courts would be opposed by the administration on the ground of unconstitutionality. Attorney General Moody has already delivered an opinion to the effect that the judiciary cannot and will not make rates.

Tillman is divided between his antagonism. It was not in the president's original summer plans, and it is often caused by sores, dicers and cancers, that eat away your skin. Wm. Becall, and he would not have interrupted his vacation for any other man than John Mitchell, thead of the lation of Final Rock, Mich., says: "I have president's original summer plans, and it is safe to say that he would not have interrupted his vacation for any other man than John Mitchell, the would not have interrupted his vacation for any other man than John Mitchell. Of the leader of the miners, Roosevelt is very fond. He holds him in high respect, especially in consideration of the level-headed manner in while he behaved after the great coal strike had been settled and he found himself in the lime light of publicity and adulation.

onducted by Prof. Frank H. Bigelow,

one of the scientists of the govern-

to explore the upper air currents and

ports on his experience with the kites. The speed of the ship, combined with the wind, proved too much for the big kites. One of them collapsed in mid-air, another broke the piano wire which held it and escaped while about a mile high; another broke loose while being raised and was rescued by a gallant crew of jacktars who manned the lifeboat for the purpose, Finally, the smaller kites were tried, and with better luck. One flight of 10,000 feet was secured and the automatic in-struments brought down some valuable data. The chief trouble experi enced was from the rusting of the the water. This was remedied by con stant olling. Some further flights will be attempted on the return voyage,

Dangerous and Uncertain. For sunburn, tetter and all skin and scalp diseases, DeWitt's Witch Hazei Salve has no equal. It is a certain cure for blind, bleeding, itching and protruding piles. It will draw the fire out of a burn and heal without leaving a scar. Bolls, old sores, carbuncles, etc., are quickly cured by the use of the genuine DeWitt's Witch Hazel Saive. Accept no substitute as they are often dangerous and uncertain.

VALENCIA COUNTY SCHOOLS FLOURISHING

MOST SUCCESSFUL INSTITUTE EVER HELD, NOW IN SESSION

Special Correspondence Belen, N. M., Aug. 17 .- The teach ers' institute of Valencia county has been in session at Beien the past two weeks, having opened on the 7th in The attendance of teachers I good. U. Francis Duff, principal of the Deming high school, is acting as con This is the second year that Prof. Duff has conducted the institute here, and his work has been highly satisfactory to County Superintenden J. C. Sanchez and to the teachers. He s one of the oldest teachers in the territory, having come to New Mexico in 1890.

Superintendent Sanchez, who is now serving the first year of his second term, is an energetic and efficient offi-cial. It has been his constant effort to improve the condition of the schools 1902, there was in the entire county school fund but \$2,033.51. His first eport, which was made under date of August 1, 1903, showed a balance on hand of \$21,926.38. His second report, 1904, showed that there was then on hand for school purposes, \$21,335.62. His report for the present year indicates that there is now in the county school fund the sum of \$15,682.78this, after having turned over some \$6,000 to the various school districts of Torrance county, which has recently been separated from Valencia

Mr. Sanchez is deserving of the very highest praise, as he is the first superintendent of this county to make a
